## Smiles for Kids Pediatric Dentistry

Smiles for Kids Pediatric Dentistry is a pediatric dental office that focuses on comprehensive dental care and dental education for children of all ages. They see kids starting at around 1 year of age and concentrate at that time on dental health and education for parents. They follow the children until they graduate college. Above are staff members Lindsay Gibson-front desk manager, left, Yvette Cancel-dental assistant, Natalie Rodriguez-dental assistant, Martina Lopez-dental assistant, Stefanie Sigler-office manager- dental hygienist, Michele Boudreaux-dental hygienist, Malgosia Mucha, Kasia Wosiak and Carrie Schubert-front desk and Dr. Kasia Lindhorst.

**ADDRESS:** 8800 Katy Freeway, Suite 220 Houston TX 77024

**PHONE NUMBER:** 713-461-1509

**WEB SITE:** [www.smiles-for-kids.com](http://www.smiles-for-kids.com)

**OWNERS:** Kasia Lindhorst DDS, MSD

**WHAT THEY'RE SELLING:** Pediatric dentistry, jaw growth and development in children, dental growth patterns, making sure that children feel comfortable in their office

**WHY SHOULD YOU GO:** They love their patients and the community that surrounds the office. They work in the schools to provide dental education, sponsoring their efforts in health education through health fairs and on-site presentations and participating in many other projects. They are available to patients and parents for questions any time, any day personally and not through any answering service. Dr. Lindhorst takes all the emergency calls on her personal cell phone. They also use the latest technology to integrate dental and overall health. Their new office is a "Travel The World of Pediatric Dentistry" themed facility where the patients and parents experience a virtual travel experience.
